BALTIMORE LOCK HOSPITAL THE ONLY PLACE WHERE A CURE

DR. JOHNSON has discovered the most Certain, Speedy, and only Effectual Remedy in the World for Weakness of the Back of Limbs, Strictures, Affections of the Ridneys and Bladder, Involuntary Dischar-Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsus, Languor, Low Spirits, Conness, Dyspepsus, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Trembling, Dimness of Sight, of Gliddiness, Disease of the Head, Throat, Nose or Skin, Affections of the Liver, Lungs, Stomach or Bowels—those Terrible Disorders arising from Solitary Habits of Youth—secret and solitary practices more fatal to their victums than the song of Syrens to the Mariners of Ulyssee, blighting their most brilliant hopes or anticipations, rendering marriage &c., impossible.

YOUNG MEN especially, who have become the victims of solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most excellent talents and brilliant intellect, who might otherwise have entranced listening Senators with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.

MAPRIAGE

MARRIAGE. MARKIAGE.

Married Persons, or Young Men contemplating marriage, being aware of Physicial Weakness, Organic Debility, Deformities, speedily cured.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS.

ORGANIC WEAKNESS.

Immediately cured and full vigor restored.

This distressing affection, which renders life miserable and marriage impossible, is the penalty paid by the victims of improper indugences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent? Besides being deprived of the pleasure of healthy offspring, the most serious and destructive symptoms of both body and mind arise. The system becames deranged, the Physicial and Mental Functions Weakened, Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the Heart, Indigestion, Constitutional Debility, and Wasting of the Frame Cough, Consumption, Decay and Death.

DR. JOHNSON,
Member of the Royal College of Surgeons
London, Graduate of one of the most eminent Colleges in the United States, and the
greater part of whose life has been spent in
the hospitals of London, Paris, Philadelphia
and elsewhere; has effected some of the most
astonishing cures that were ever known,
many troubled with ringing in the head and
ears when asleep, great nervousness, being
alarmed at andien sounds, bashfulness, with
frequent binshing, attended sometimes with
derangement of mind, were cured immediately. TAKE PARTICULAR NOTICE.

TAKE PARTICULAR NOTICE,

Dr. J. addresses all those who have injured themselves by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for either business, study, society or marriage.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weskness of the Back and Limbs, Pains in the Head, Dinness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility Bymptoms of Consumption, &c.

MENTALLY.—The fearful effects on the mind are much to be dreaded. Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Bociety, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing that vigor, becoming weak, pale, nervous and emiciated, having a singular appearance about the eyes, Cough, and Symptoms of Consumption. YOUNG MEN

YOUNG MEN

Who have injured themselves by a certain practice, indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asseep, and, if not cured, rendermarriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the pride of his parents, should be snatched from all prospects and enjoyments of life by the consequence of deviating from the path of nature, and indulging in a certain secret habit. Such persons must, before contemplating

DISEASES OF IMPRUDENCE. When the misguided and imprudent volary of pleasure finds that he has imbibed the seeds of this painful disease it too often happens that an ill-timed sense of shame of dread of discovery deters him from applying to those, who from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horridisease make their appearance, such as ale rated sore throat, dieased nose, nocturn, pains in the head and limbs, dimness of sight deafness, nodes on the shin-bones and arms, STEAMBOAT PRINTING

pains in the head and limbs, dimness of sight dearness, nodes on the shin-homes and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bone of the nose fall in, and the victim of this awill disease becomes a horrid object commiseration, till death puts a period tohis dreadful sufferings, by sending him to "this Undiscovered Country from whence no traveller returns."

It is a MELANCHOLY FACT that thousands fall victims to this terrible disease, owing to the unskillfulness of ignosant predenders, who, by the use of that DEADLY POISON, MERCURY, ruin the constitution and make the residue of life miserable.
